Application for Water & Sewage Disposal Systems Report

Standard Water and Sewage Disposal System inspection takes approximately ten (10) working days.

- Check all requested: Sewage System Report - \$100.00 **All fees must be paid in advance**
- Water System Report - \$50.00 (includes bacteria test)
- HUD Pkg. – (includes Bacteria, Nitrate, Nitrite, Lead) - \$95.00
- Nitrate Lead Other _____ (Call for pricing on add'l tests)

Additional water tests may take 2 - 6 weeks to process. **Electrical power must be turned on to collect water samples!**
BEFORE submitting this application check with your lender to learn if additional water tests are required.
 FHA & VA typically require tests for nitrates and/or lead.

CLEANING THE SEPTIC TANK (for Sewage Inspections only)

The sewage inspection requires documentation be provided to the Health Department showing that the septic tank has been cleaned by a registered septic tank pumper within the last three years. If this has not been done, the requesting party must arrange for the septic tank to be pumped out. Contractors are listed on our website www.defiancecohealth.org

Date the Tank has or will be pumped	Contractor
